Sir,

Sub:- MEDICAL OFFICERS - L.F.Medical Institutions - Creation of posts of Assistant Surgeon at L.F.Hospital,Mulky Sanction requested.

....

When the Government were requested in this office letter C.No.2064-A4-48 dated 26-1-1948 to sanction three posts of Assistant Surgeons in the L.F.Hospitals at Buntwal, Mulky and Belthangady, they in their orders Ms.No.2724 Public Health dated-10-8-48 were pleased to sanction the conversion of the post of a Sub Assistant Surgeon in the L.F.Hospital, Buntwal only into that of an Assistant Surgeon and informed the then Special Officer, District Board that the daily average attendance in the other L.F.Hospitals, Mulky and Belthangady did not justify the employment of Civil Assistant Surgeons in those institutions.

2.Now that the bed strength at L.F.Hospital, Mulky has risen from 10 to 22 and the daily average attendance of out-patients and inpatients of the hospital to 173 and 6.4 respectively there is every justification to create a post of an Assistant Surgeon for this hospital also. In this connection, I have to point out that this hospital in recent years has become very popular as indicated from the increased in the average attendance of out-patients and of inpatients. I am sure that the institution would become more and more popular as the public are very enthusiastic to make the institution popular and efficient as is evident from the fact that the Hospital Poor Fund Committee has donated 12 beds with the necessary equipments in 1951. It is therefore proposed in the interest of the institution, that the present Sub Assistant Surgeon's post be raised to the status of an Assistant Surgeon.

3.The District Medical Officer, S.K who was consulted in the matter has also concurred with my view that the appointment of an Assistant Surgeon, in the said L.F. Hospital is warranted. In order to make medical service under this Board more attractive, it is quite necessary that at least some posts of Assistant Surgeons are sanctioned for this Dt. Board as candidates possessing the L.M.P. qualifications are not available and candidates with M.B.B.S qualification are unwilling to enter service under the Board as the pay offered to them is meagre.

4.In the circumstnces, I request that the Government may be pleased to sanction the conversion of the present Sub Assistant Surgeon's post in the L.F.Hospital, Mulky into that of an Assistant Surgeon.

A resolution of the District Board will be furnished in due course.

55. Read President's note dated 19-6-52 proposing the upgrading of the L.F.Hospital, Mulky as was done in the case of the L.F.Hospital Bantwal in the year 1947 in view of the increase of the bed strength of the inpatient ward of the said hospital to 22 as also the increase in the out-patients and inpatients attending the hospital.

Letter C.No.5144/52 dated 15-8-52 of the Dt.Medical Officer, S.K concurring with the view of the President that the appointment of an Assistant Surgeon at L.F.Hospital Mulky is warranted.

Also this office letter Rc.14009-A4-52/29-8-52 addressing the Government for sanctioning the conversion of the post of Sub Assistant Surgeon into of an Asst.Surgeon in the L.F.Hospital Mulky.

RESOLUTION: "The post of the Sub Assistant Surgeon may be converted into that of an Assistant Surgeon and the President's action in addressing the Government in the matter is approved.

Sir,

Sub: ESTABLISHMENT-conversion of the post of Sub Asst.Surgeon in to that of Asst.Surgeon information regarding

Ref: Your letter C.No.7587-52 dated 22-11-52.

With reference to your letter cited above, I have to inform you that your presumption in the matter is correct. The pay of the Sub Assistant Surgeon now drawing at L.F. Hospital, Mulky is Rs. 150/- plus 34/- D.A. When he is to be promoted, if the post at Mulky is to be converted into that of Assistant Surgeon, the pay of the Assistant Surgeon will have to be fixed at Rs. 160/- plus the Dearness allowance of Rs. 36/- . So the immediate extra cost comes to Rs.144 or 150 per annum being the differential pay and D.A. due to the Medical Officer. And Rs. 2400/- given as the ultimate extra cost represents the difference between the maximum pay of an Assistant Surgeon and a Sub Assistant Surgeon per annum. The maximum pay of the Sub Aasistant Surgeon is Rs.150/- p.m. and that of an Assistant Surgeon is Rs. 350/- p.m. That is to say the differential pay per month comes to Rs.200/-. To this ultimate cost a sum of Rs.400/- which represents the differential D.A. (i.e, Rs. 67-34 = 33 x 12) which has been left out by mistake will have to be added.

So the immediate extra cost to be invlolved in that proposal is Rs. 150/- and the ultimate extract cost is Rs.2,800/- as stated in my letter dated 17-11-1952.

and not Rs. 2400/-

since the daily average attendance of the outpatients at Belthangady and Mulky were only 114 and 139 respectively the SG. then suggested that if the daily average outpatients was not less than 200 in the Govt medl institution an Asst Surgeon might be appointed in that institution.

2. The DHS, South Kanara now reports that the ~~average~~ daily average attendance of outpatients ~~is 122~~ of the Govt Hospital, Mulky is 146 and the institution is very popular. He suggests that the post Sub Asst Surgeon in this institution may be converted into that of an Asst Surgeon. The DMS. recommends the proposal.

3. The extra cost involved in the proposal works out to Rs 2,852/- (Rs 1,852/- calculated as per rates in force at present)

This Dept may support the proposal.
